The TAC Team in partnership with Wrexham Family Information Service will be available to speak with you on **Tuesday 21st January 2pm- 4pm.**

What is TAC?

The Together Achieving Change (TAC) process is a way of organising and co-ordinating extra help for children, young people and their families (between the ages of 0–25 years). It is for those who have a number of needs requiring preventative support. TAC is also able to offer a service to provide information, assistance and advice to parents and carers.

Many thanks
