**ENGLISH AS AN ADDITIONAL LANGUAGE (EAL) POLICY**  
*Learning Enjoying Achieving*

**1. Introduction**

- 1.1. In our school the teaching and learning, achievements, attitudes and well being of all our children are important. We encourage all our children to achieve the highest possible standards. We do this through taking account of each child's life experiences and needs.
- 1.2. The school recognises that minority ethnic/EAL pupils will fully access school life whilst retaining their own culture.
- 1.3. The school supports the entitlement of EAL learners both to learn and achieve in English and to maintain and develop their first language.
- 1.4. Children who are learning English as an additional language have skills and knowledge about language similar to monolingual pupils. Their ability to participate in the full curriculum may be in advance of their communicative skills in English.

The National Curriculum secures entitlement for all children to a number of areas of learning and gives them the opportunity to develop the knowledge, understanding, skills and attitudes that are necessary for their self-fulfilment and development as responsible citizens. We promote the principles of fairness and justice for all through the education that we provide in school.
- 2.2. The aim of this policy is to help ensure that we meet the full range of needs of those children who are learning English as an Additional Language. This is in line with the requirements of the Race Relations Act 1976 and the Race Relations Amendment Act 2000.
