End of term / Happy holidays
School closes today for the Summer holidays and reopens for pupils on **Wednesday 4th September 2019** for all year groups. Nursery to Year 6. (Monday 2nd and Tuesday 3rd September are staff training days – school is closed for pupils). Thank you to all families for your support during this academic year. We have had a very busy but enjoyable year. I am very proud of the progress the pupils have made. I am delighted our school is now in the green category which is a testament to the hard work of the pupils and staff at Ysgol Cefn Mawr. We will continue to develop the new curriculum with the children in September and add more Super Learning weeks throughout the year. We wish you all an enjoyable summer holiday, please take care and we look forward to working with you again in September.

Year 6 Leavers Service for Families.
We held our Y6 Leavers Service on Wednesday for families in the school hall. The Year 6 children performed their own version of The Greatest Showman with dancing and singing and photographs through the years at Ysgol Cefn Mawr. Each pupil was presented with a Memory Book with photographs. Thank you to Mrs Evans for making the books which is a lot of work but has very valuable memories for the children to look back on. We wish the children the very best of luck in their new schools and through their future journey in education. A big thank you to Miss Jones and Mrs Moore for their hard work with the class this year. We will miss you!

Maths Procedural Reports
We have received the last of the reports from Welsh Government today with a summary of areas the children have worked well on and their next steps in maths. Year 6 pupils will take their reports home today; we will distribute Year 2 to Year 5 on the first week back in September.

Head Boy/Head Girl Interviews
On Tuesday, the Year 5 pupils took part in an interview session with School Governors and School Council members. The pupils wrote a letter to apply for the position and were asked a series of questions and read out their letters of application. They were a credit to the school and made good eye contact and spoke really well sharing their skills and wishes with the interview panel. It was a very hard decision and well done to them all.
