Welcome Back

We hope you enjoyed the summer holidays. I am delighted with all of the children's excellent behaviour and attitude to learning this week. They have settled into their new classes and routines very well. A special mention to our new Nursery pupils who are doing really well this week and our Reception pupils who have settled well into full time school. They all look very smart in their new uniforms. We look forward to the term ahead.

Over the summer holidays we have had an outdoor canopy built for the Year 4 classroom. The outside of the school has been painted. The gardens have been tidied. The park area has been tidied and had new bark. The second phase of the new windows and doors will be installed in October.

School Meals

I respectfully remind parents that school meals need to be paid for in advance. The local authority will not permit us to carry over unpaid meals to the following week. The price of a school meal is £2.40 for Foundation Phase and Key Stage 2.

Nasal Flu Vaccinations

A reminder that Nasal Flu Vaccinations will be administered in school on Tuesday, 15th October to pupils in Reception to Year 6. Pupils in Year 1-6 received letters and consent forms at the end of last term, if you would like your child to receive the vaccination but have not returned the consent form please return it to school by return. Letters and consent forms have been sent home with pupils in Reception today, please return to school by return.
