Introduction

WCBC is committed to ensuring that regular attendance at school is a priority which will in turn provide pupils with the best possible chances in life to succeed and to achieve their goals.

This attendance policy is intended to set out an over-arching statement of appropriate protocols and practices relating to the management of and promotion of school attendance in Wrexham.

This policy template should be read alongside the Wrexham CBC School's Attendance Guidance document which details strategies to improve attendance and contains all template attendance letters. All appendices are included in the guidance document. (See appendix 1)

Legal Framework

The law outlining attendance is:

The Education Act 1996 which places a legal obligation on:

- the local authority to provide and enforce attendance.
- school to register attendance and notify the local authority of a child's absence.

Section 7 of the above act states that:

'The parent of every child of compulsory school age shall cause him/her to receive efficient, full time education suitable to his/her age, aptitude and ability and to any special educational needs he/she may have either by regular attendance at school or otherwise'.

Section 444 further states that:

'The parent of a child of compulsory school age registered at school and failing to attend regularly is guilty of an offence punishable in law'.

School Attendance Orders (SAO):

Under the Education Act 1996 section 437- 443 a School Attendance Order applies when a parent of compulsory school age fails to prove that the child is receiving a suitable education and where the authority believes the child should attend school. A School Attendance Order may be used to direct a parent to send their child to a specified school, and should be used when a pupil is not on roll at any school.

The Education (Penalty Notice) Wales Regulations 2013:

This legislation came into force in September 2014 and has given local authorities new powers to issue fixed penalty notices (FPN). A code of conduct has been agreed by Wrexham County Borough Council on the issuing of the FPN which allows Head Teachers to apply for a £60 FPN when they have recorded.

- Minimum of 10 unauthorised absences in the current term which do not have to be consecutive.
- Minimum of 10 sessions of lateness after the close of registration.

- Parents/carers who chose to take their children out of school on holiday during term time without authorisation from the Head teacher for a minimum of 10 unauthorised sessions.
- Pupil regularly coming into contact with the North Wales Police or other partners during school hours without a justified reason and where absence is recorded as unauthorised.
- Parents/carers failing to engage with school/ESW but where prosecution has not been instigated.

The Head Teacher will inform the parent by letter that a request for a fixed penalty notice will be completed and sent to the Education Lead (Formerly Education Social Worker Team Manager) for the local authority. The Education Lead will consider the request, taking into account levels of absence, level of parental engagement, any equality implications, history of attendance and also any statement of special educational needs before issuing a FPN of £60.

A penalty notice is £60 if paid within 28 days in receipt of the notice, increasing to £120 if not paid within 28 days. If payment is not received by 42 days then the local authority can prosecute parents for the child's absence.

For further information please see the WCBC website www.wrexham.gov.uk.

Rights of the Child – UN Convention on the Rights of the Child

Article 28 says that “State Parties recognise the right of children to education and with a view to achieving this right progressively and on the basis of equal opportunity”

Article 29 focuses on the aims of education and says that governments agree that “the education of the child shall be directed to:

- The development of the child's personality, talents and mental and physical abilities to their fullest potential.
- The development of respect for human rights and fundamental freedoms and the principles enshrined in the Charter of the United Nations.
- The development of respect for the child's parents, his or her own cultural identity, language and values, for the national values of the country in which the child is living, the country from which he or she may originate and for civilisations different from his or her own.
- The preparation of the child for responsible life in a free society in the spirit of understanding, peace, tolerance, equality of sexes and friendship among all peoples, ethnic, national and religious groups and persons of indigenous origin.
- The development of respect for the natural environment.

Definitions

- Enforcing the Local Authorities statutory duties in relation to school attendance and taking legal action where appropriate. It is WCBC policy to prosecute all unpaid Fixed Penalty Notices. However the ESW does not take this action lightly and will endeavour to work and support parents, schools and pupils to improve attendance levels until all of these avenues have proved to be ineffective.
- The ESW service has the strategic responsibility for the writing and implementation of policies, operational procedures and codes of conduct in relation to school attendance.
- Will provide support and challenge to schools and families through analysing attendance data and targeting resources as appropriate.
- The ESW team are centrally based and schools referral via the ESW referral form.

Keeping school registers

The school's register is a legal document and under The Education (pupil registration) (Wales) regulations 2010 the school is required to keep an accurate record of attendance. Registers need to be marked twice a day, once in the morning and once in the afternoon.

Registers may be needed in a court of law if deemed appropriate.

Schools Information Management System (SIMS) is used in all schools across WCBC to record all pupils' attendance.

By the end of the school week the schools overall attendance registers will be completed and an overall attendance figure will be calculated by the school.

Types of absences

It is important for parents to understand the definition of the different types of absences. Absences may be classed as either unauthorised absence or authorised absence.

The schools Head Teacher is the only person that should decide on whether an absence should be classed in either one of these categories, parents cannot.

Absences may be authorised for the following reasons:

- Illness.
- Religious observance.
- Medical/Dental appointments during school hours.
- Fixed term and permanent exclusions.
- Holiday agreed by the Head Teacher.

Examples of what are classified as unauthorised absence are the following, however they are not limited: Absences may be unauthorised for the following reasons:

- Truancy.
- Late after the close of registration.
- Staying at home for no reason – condoned absence.
- Going shopping.
- Birthdays.
- Holiday not agreed by the Head Teacher.

In addition there are several codes classed as a present mark which include the following:

- Late before the close of register.
- Educated off site, pupils attending vocational courses at college/pupils attending alternative provision agreed by school.
- Sporting activity.
- Educational visit.
- Traveller absence.
- Interview.
- Work experience.
- Where pupils are on roll at school and also at another education establishment.

Appendix 1 details a breakdown of codes set by Welsh Government.

Punctuality is a legal requirement and pupils must attend on time. A Fixed Penalty Notice or a Prosecution can be sought in cases where persistent lateness after registers have closed are recorded as an unauthorised absence. Persistent lateness has a detrimental effect on a child's learning and also disrupts other pupils within the class and throughout the school.

Those parents of pupils who are persistently late will be contacted by the Class Teacher/Head of Year/Senior Management Team. All pupils who are late must sign the 'late book' in school or the lateness must be recorded on SIMS by school staff and the pupil must enter through the main doors of the school.

Medical absences

Where a child is continually absent from school on the grounds of medical reasons, it will be required for the parent to provide medical evidence (e.g. certificate or letter from recognised medical service) to school. This will be initiated by the school and the ESW which will result in the pupil and family receiving the appropriate support to assist and to ensure the pupil is attending school regularly. A referral may be made to the Community Paediatrician for assessment in cases of persistent absences due to illness or medical issues. There may be times where a reintegration / Attendance Improvement Plan may be necessary which will be a partnership agreement between the family, pupil, ESW service and school.

Holidays during term time

Parents do not have an automatic right to withdraw pupils from school during the school term for a holiday. Under the Education (pupil registration) (Wales) Regulations 2010, Head Teachers have discretion to authorise a holiday of up to 10 days during term time, more than 10 days can only be authorised in exceptional circumstances.

The Local Authority recommends that no holidays are authorised in term time unless for exceptional circumstances.

All requests for holidays must be completed on the schools holiday request form and completed by the parents/guardians. (See Appendix 2 for model form).

The Head Teacher will make the decision and may include the following contributory factors:

- Time of year.
- Length of time.
- Overall percentage of attendance.
- Impact on the child's learning.
- Whether the holiday meets the criteria for an exceptional circumstance and adequate proof has been provided.

Criteria for Exceptional Circumstances

- Where it is company/organisational policy for an employee to take leave at a specified time in the year and there is no opportunity for a family holiday in school holidays. This must be supported by documentation from the organisation.
- Service personnel returning from/scheduled to embark upon a tour of duty abroad.
- To attend religious festivals or services such as the wedding or funeral of an immediate family member. Proof may be requested
- Other compassionate circumstances e.g. family illness or family crisis. Proof may be requested.
- Where a holiday is recommended as part of a parent or child's rehabilitation from a medical or emotional issues. Evidence must be provided from a qualified professional such as a doctor.
- Where there are other factors which the Head teacher may consider exceptional circumstances, this may be referred to the Local Authority for advice.
- It should be noted that financial consideration are not deemed exceptional circumstances.

School procedures

Parents are expected to contact school on the first day of absence and to provide reasons for their child's absence.

If parents fail to notify school, then the school will make every effort to contact the parents and also other persons listed as a point of contact. The absence will be recorded as unauthorised if no reason for the absence is provided within two weeks. Failure to receive any contact on the third day of absence may result in the involvement of the ESW Service.

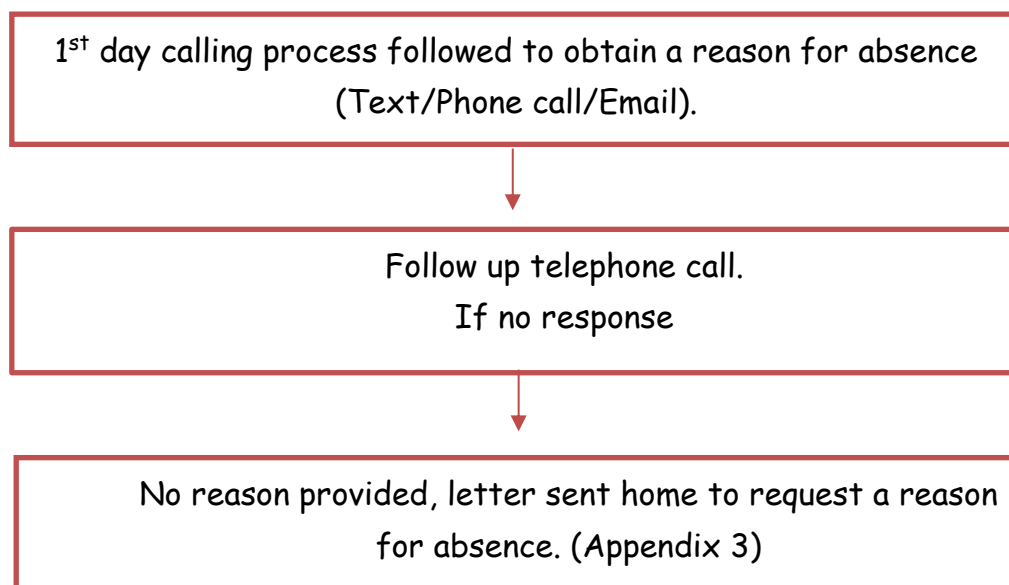

Children Missing Education

Schools have a duty to safeguard all pupils. The Education & Inspections Act 2006, requires the Local Authority to make arrangements to enable them to establish the identities of children residing within WCBC who are not receiving an education. For example these may be pupils who have not attended school for an excessive amount of time without any contact or reason for the absence. The duty lies with the Local Authority to investigate further. The Common Transfer File will be sent to the forwarding school once they have been notified.

Pupils should not be removed from the school register until the pupil has been admitted to another school/ PRU or until the CME document has been completed and recorded by the LA.

For further information either email cme@wrexham.gov.uk or visit www.wrexham.gov.uk (CME document).

Wrexham Attendance Procedure:

- Once a pupil hits **10 sessions** absence whether authorised or unauthorised **Attendance Letter 1** to be sent (appendix 4).
- Once a pupil hits **16 sessions** absence whether authorised or unauthorised **Attendance letter 2** to be sent (appendix 5).
- Once a pupil hits **22 sessions** absence authorised or unauthorised a **phone call** is made to the parent/carer by a member of school staff to discuss the attendance concerns. This should be Head of Year or person with responsibility for attendance in school. Record of conversation is kept (appendix 6).
- Once a pupil hits **26 sessions** absence whether authorised or unauthorised **Attendance letter 3** to be sent. This requests medical proof for all future absences to be authorised (appendix 7).
- Once a pupils hits **26 sessions Unauthorised** absence, a letter is sent arranging a meeting with the parent/carer, School representative and Education Social Worker for an attendance meeting to take place (appendix 8). Referral to ESW made to attend meeting (appendix 11). Consideration to be given to attendance improvement strategies, including the introduction of an Attendance Improvement Plan.
- If attendance continues to deteriorate, consideration to be given to implementing legal action – FPN or Prosecution depending on attendance history, level of absence and past compliance.

Meanings:

ESWS – Education Social Work Service

CME – Children missing education'

CTF - Common Transfer File – pupil file transferred to relevant school.

Attendance is **everybody's concern** and the school will expect all stakeholders to play a part in improving attendance. This will contain all having clear expectations and roles which include:

Schools Strategies to improve attendance

WCBC's aim is that all pupils achieve 100% attendance. However, there may be instances where pupils are unable to attend for genuine reasons. The ESW service categorises attendance concerns in the following way.

GREEN	97% - 100%
AMBER	93% - 96%
RED	below 92%

Peer Support

Pupils could be nominated school councillors, mentors and mediators in order to assist other pupils in achieving improved attendance levels. By leading a good example this has a positive impact with those pupils underachieving due to irregular attendance.

By ensuring pupils are involved in this process and giving them responsibilities, it could improve their confidence and self-esteem.

Parents Notice Boards

The parent's notice board is displayed at the front of the school which includes regular information and updates on attendance. Schools can raise the profile of attendance with parents/carers and the wider community through the use of parents'/carers' evenings, school newsletters or other communications. This will ensure the importance of attendance is spread widely throughout the school community.

Schools Websites

The school's website should also provide parents, pupils, governors and the public with all the relevant attendance information including the schools attendance policy, along with all other schools policies and procedures. Regular reminder messages about attendance can be issued via school social media accounts and messaging apps.

Schools Newsletters

Schools should communicate frequently with parents/carers about positive achievements and improvements, emphasising the responsibility and role of parents/carers in partnership with the school. Schools can raise the profile of attendance with parents/carers and the wider community through the use of parents'/carers' evenings, school newsletters or other communications. This will ensure the importance of attendance is spread widely throughout the school community.

Newsletters either digital or a paper copy are another way of communicating with parents. Good practice in Wrexham includes schools where newsletters are sent out on a half termly basis/weekly basis. Newsletters can inform parents and pupils where the school stands showing overall attendance figures. All other attendance data and information will be included in every bulletin.

Parents and carers should be encouraged to check the schools attendance information on a regular basis and also check on school holiday dates and inset dates to avoid confusion.

The School Environment

The school should provide a happy, welcoming and organised environment to ensure all pupils enjoy learning which results in good attendance. It is good practice for all staff to ensure that the classroom displays include the form attendance for the previous week and the schools' targets.

Breakfast Club/Lunch-time Club and Access to Water

Schools that can offer a breakfast club can set them up for a positive day. Breakfast club should be supervised by school staff. Children can have breakfast with friends, and ensure they have had a meal at the start of the day which statistics shows helps the thinking process. Schools that provide water to hydrate pupils have also benefitted from improved wellbeing and attention.

Staff Awareness

All staff must be fully aware of the importance of regular school attendance, and pupils must be regularly made aware of this during the school day from staff. A holistic and consistent approach should be applied to ensure that all staff apply the school ethos and reflect the culture of the school at all times. As part of staff induction, new staff should be briefed on the school's philosophy on attendance and introduced to their responsibilities for attendance management.

Attendance Assemblies

Celebrating attendance should be a priority. Involving pupils gives an incentive, motivation and encouragement. Assembly can promote a sense of self-worth. This promotes the wellbeing of children as well as rewarding them for their achievements. A consistent approach should be applied as suggested above to ensure that all staff apply the school ethos and reflect the culture of the school.

Prevention and Support Services can be invited to support these assemblies and to promote attendance initiatives.

Attendance Data Tracking and Targeted Interventions

The schools attendance administrator should track attendance data and run half-termly reports to identify groups whose attendance is dropping below the schools target. It may be that a specific year group, gender group or user defined group such as looked after pupils (LAC) or those entitled to Free School Meals are noticeably below the expected level. School staff and the ESW service will work with these identified groups to offer additional support to bring their attendance in line with the rest of the school. The SIMS MIS Support Team (01978 295468) can provide support with setting up reports.

Where pupils are identified as routinely absent from school in the days leading up to a school holiday a letter can be sent/phone call made home in advance of the holidays to discuss this matter. (Appendix 10).

Attendance Mentoring

Pupils with attendance below the targeted level can be mentored by an identified member of staff. Quality mentoring, especially as part of a school-wide effort, can be leveraged as a strategy to improve attendance and boost academic achievement. A positive, consistent and supportive relationship with an identified adult can help motivate attendance. Pupils and families are more likely to share the barriers they face to getting to school to an adult who meets with them regularly. All contacts with the pupil and their family can be recorded on SIMS and the impact of their involvement tracked.

Attendance Workshops

Bespoke attendance workshops can be delivered to groups by school staff, both parents and young people, with attendance below the targeted level. Workshops run for six weeks with each session lasting 30 minutes. An example programme for the six week workshops may include:-

- 1) Why is school attendance important?
- 2) Legal Framework
- 3) Barriers to regular attendance.
- 4) Removing the barriers to regular attendance
- 5) What are the benefits of regular attendance at school?
- 6) Conclusion and rewards for pupils who attendance improved during the 6 weeks.

Transition Process

Transition from Year 6 to 7 can be difficult at times to deal with. Staff should appreciate that pupils often find it hard to cope with the transition from year groups and also from primary to secondary school. Schools must ensure that all staff involved in this transition process and in transition taster days for all pupils are aware and supportive.

Additional support with transition can be provided by the Youth Work in Education (YWIE) service in nominated schools. (Please contact YWIE Advanced Practitioner for further information)

Parents Evening

Parents of pupils with low attendance can be identified in advance of the parents evening and provide an opportunity to discuss barriers to regular attendance. Parent's evenings may benefit from the support of WCBC Prevention and Support Services if parents need advice and guidance or additional support in trying to ensure the regular school attendance. Requests for support must be organised in good time.

School Sanctions (Secondary)

Where pupils are regularly absent without authorisation but have been sent to school by their parent it is possible to implement school based sanctions if there is no improvement. This may be in the form of detention either during lunch time or after school. Parents must be notified on each occasion.

Rewards

Rewards can include the following:

- Pupil Certificate.
- Badges/Pens
- Extra free time.
- Class Trophy.
- 100% awards for the academic year for pupils.
- First In the queue for lunch.
- Snacks provided through the school canteen e.g. a snack or drink
- Books.

Further examples can include pupils being entered into a draw at the end of term or the end of an academic year for some of the following:

- Cinema tickets.
- Book vouchers.
- I-tunes voucher.
- Bike

Partnerships with local businesses can be established to support such schemes in some localities.

Additional Attendance Strategies

Role of the Local Authority Education Social Work Service

The Education Social Work service is a statutory service which supports schools to ensure that all pupils attend school regularly. All schools have a designated Attendance Support Officer and Education Social Worker who will liaise with the school on a regular basis. The ESW will meet with a senior member of staff within school where service provision allows and will discuss those pupils who have attendance of below 92%.

The school, in a joint discussion will then refer the pupil to the ESW service if necessary. The individual circumstances of each pupil will be considered. Once school has followed the process documented in the All Wales Attendance Framework the ESW service can support school with a home visit.

The ESW service can support with implementing Attendance Improvement Plans with pupils over a six week period. Intensive support and engagement with the pupil and family are made in order to bring about positive change in the pupil's attendance.

Parents have a legal duty to ensure their children attend school regularly and punctually, or otherwise, under the Education Act 1996. Where parents fail to ensure the regular attendance of their child or otherwise are committing an offence and the ESW will need to be informed.

It is unfortunate, but on occasions recourse to statutory powers may be required which may result in a Fixed Penalty Notice application or in the prosecution of parents. It is WCBC policy to prosecute all unpaid FPN cases. However the ESW does not take this action lightly and will endeavour to work and support parents, schools and pupils to improve attendance levels until all of these avenues have proved to be ineffective.

Role of School Improvement Advisor

Schools should work with School Improvement Advisor. The School Improvement Advisor provides a holistic overview of the impact of structures to promote the school improvement process.

Attendance Panels

Attendance panels involve school governors, members of the senior staff group, ESW service, and parent and on occasions they can include the pupil. Whilst the panel's aim is to address the attendance of pupils it is not always in the best interest of the pupil to be out of class.

Parents can be invited into school to discuss their child's attendance. An Attendance Improvement Plan (AIP) can be completed and signed during these meetings. Letters of invitation should be sent to parents in advance by school. Parents are asked to notify school to confirm whether they will be attending or not. If they are not available to attend then another letter should be sent to offer a further opportunity.

Failure to attend without notification can result in any absences remaining unauthorised by the Head Teacher and may result in a visit or telephone call from the ESW Service.

Community Education Patrols (CEP)

Community Education Patrols are initiated by the Education Lead in partnership with North Wales Police. These patrols are arranged on a prescribed basis.

Under the Crime and Disorder Act 1998, North Wales Police have the power to engage parents found with children during school hours. Any child found unaccompanied by an adult can be taken back to school or to a designated place of safety. Community Education Patrols are intended to promote the benefits of regular school attendance and to promote partnership working.

Parents and pupils details are logged, along with the reasons for the pupil being away from school. Schools are emailed to inform them of the details obtained.

First Day contact

School should operate a first day contact process, to ensure schools contact parents of those pupils who are absent on a specified day. This process is deemed to be good practice and identifies those pupils who are regularly absent at an early stage. Such pupils can then be referred to support services in accordance with the terms of this policy.

Data Collection

School's attendance data is continually being tracked and monitored electronically both on an individual pupil level and also as a whole school. This data is collated by the Local Authority and shared amongst all schools across Wrexham on a regular basis.

Monitoring and reporting

The school should regularly prepare reports to the governing body, senior management and challenge advisors (GWE) to ensure that levels of attendance are clear and that attendance codes are accurate. In addition parents should also be notified through the schools regular communication channels. The Local Authority will also monitor levels of attendance and raise concerns with Head Teachers.

Dear Parent / Guardian,

«chosen_forename» «chosen_surname» - «date_of_birth»

According to our records, «chosen_forename» has recently been absent from school. You will be aware that it is the parent's responsibility to notify the school on the first day of a pupil's absence to explain the reasons why the «he_she» is unable to attend school. I am therefore writing to you to give you an opportunity to explain the recent absences. Please complete the tear off slip below and return it to the school as soon as possible or alternatively call the school on SCHOOLS PHONE NUMBER or email on XXXXX. Otherwise I hope to see an improvement in «chosen_forename» «chosen_surname»'s attendance.

Dear «salutation»,

Re: «chosen_forename» «chosen_surname» «year_reg»

I am writing to you regarding «chosen_forename» as I have concerns about «his_her» non-attendance at school which continues to deteriorate despite two previous letters.

Due to the level of illness and/or medical absence, I must ask that if any further absence occurs, evidence must be received by the school that shows that the pupil's absence has been supported by a Doctor or suitably qualified medical professional. Some examples of evidence that could be used are: Prescriptions, Appointment Cards, Doctor's Notes, etc.

If this evidence is not supplied when your child returns after an illness or medical absence, your child's absence will be recorded as an **unauthorised** absence.

Should you wish to discuss any of the points raised in this correspondence you may contact me on the number at the top of the letter between the hours of 9am and 4pm.

I look forward to hearing from you.

Yours sincerely,

Head Teacher

Re: «chosen_forename» «chosen_surname» «year_reg»

I am writing to you regarding «chosen_forename» as I continue to have concerns about «his_her» non-attendance at school. A meeting to discuss these concerns will take place at **xxxxxxxx on**

The Law states that parents must ensure that their children receive appropriate full-time education according to their age, ability and aptitude. This means that whilst your child is registered at school, you have a responsibility to make sure that they attend regularly and on time.

Where a pupil of compulsory school age fails to attend school regularly, the Local Education Authority can prosecute a parent unless the parent can demonstrate that:-

- the pupil was absent with leave granted by the school
- the pupil was ill or prevented from attending by some unavoidable cause
- the absence occurred on a day set aside for religious observance
- the nearest appropriate school with available places is beyond the prescribed walking distance and no transport has been provided by the LEA. (The limits for walking distance are 2 miles for children under 8 and 3 miles for children aged 8 and over).

Failure to ensure regular attendance in such a case is a criminal offence that carries a maximum penalty of a fine of £1,000 per parent, per child, or, in more serious cases, a fine of up to £2,500 per parent, per child and/or up to 3 months imprisonment.

Alternatively a Fixed Penalty Notice can be issued by the Local Authority to address persistent unauthorised absence. If paid within 28 days the fine is £60. If paid after 28 days but within 42 days the fine is £120. If the penalty is not paid in full by the 43rd day then legal action can result.

The Education Support Service wishes to support you to bring about an improvement in your child's attendance, without the need to take legal action against you.

If this date is inconvenient please contact the school on XXXXXXXX to arrange a mutually convenient date.

I look forward to meeting you.

Yours sincerely,

Head Teacher

Dear «salutation»

Name of Pupil: «chosen_forename» «chosen_surname» «reg»

I am aware that «chosen_forename» has been absent recently at the end of the last half term and felt that I should draw your attention to it as soon as possible.

The attendance level is «percentage_attendance»%.

Your child's academic attainment suffers if they miss school frequently. There may be a valid reason why this absence occurred but we as a school are keen to work with both pupils and parents to avoid absences becoming regular, especially at the end of half-terms. There are only 190 school days with 175 non-school days, therefore every day in school is vital.

If you felt that it would help to discuss the matter with me, then please contact me and let me know when you are available and I will make arrangements to see you.

Yours sincerely

Head Teacher
