

'Welcome to our Local Area' project-KS2

Your task to complete at home is to research Cefn Mawr and the surrounding areas (e.g. Llangollen, Wrexham, Ruabon, etc). Please use HWB or the workbook provided to record your information.

Tasks to complete:

- Create a fact file or information leaflet all about Cefn Mawr or the surrounding areas (you could do a PowerPoint)
- Create a model of a landmark you would find in the area, e.g. Aqueduct, Castell, Dinas Bran.
- Create a poster or tourist information leaflet to promote visiting our local area and its attractions.
- Sketch a local landscape.
- Research the history of Cefn Mawr and the surrounding area (What shops did they have in the past? How has Cefn Mawr changed? What did houses look like then?)
- Write a poem about living in Cefn Mawr or the surrounding area- it could be an acrostic poem or a poem with verses.
- Design a plan for a new park in Cefn Mawr.
- Create a poster to persuade people to use the MUGA for safe car parking or to promote 20 mile per hour limit outside school.
- Design a recipe for a new snack to celebrate being Welsh. E.g. dragon biscuits.
- Write a rap or song about what it is like to live in your area.

Remember to access your reading book and Maths games on Active Learn. You can also rehearse your times tables.
