

## Year 6 planning

### Friday 12<sup>th</sup> June

- **9am- live PE session with Joe Wicks (Body Coach TV on YouTube)**
- **9.30 am- TT RockStars**
- **10.00 am- Maths lesson available on <http://www.iseemaths.com/home-lessons/>** (Click on Years 5&6 lesson. Watch the video clip and then complete the activities found on the link underneath the video. Extend activity is available if you want to challenge yourself further. You could do the Year 3 &4 lesson first if you want to get a little more confidence.) If you would like an alternative to the daily Maths lesson on Isee Maths, here is a link to the daily Maths lesson on BBC Bitesize: <https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-lessons/1>
- **11am- 12 pm Literacy-** finishing writing your formal letter of thanks to the key worker of your choice. You can use ICT to type your work or hand write it. Send a copy of your letter to the person/ people you have written to.
- **1.00-Reading activities-** you can do ERIC reading with a book you have at home, listen to an audio book, read one of your Ereaders on Bug Club or play on Nessy. I have also included reading comprehension activities, The First News Children's Newspaper and a link to Daily Write tasks on Google Classroom (try a different task each day)
- **1.30pm- Welsh/ Helpwr Heddiw-** choose a different activity every day from the following: download the Campau Cosmig app and play the games, rehearse the patterns on the language mat, answer the question Beth ydy dy hobi di? using the variety of sentence patterns we have done in class, write down as many questions from the language mat as you can in a minute, play alibi with a family member, play the dice game with a family member, rehearse the trafod penblwydd questions and write a paragraph about your birthday using the language patterns (including the future tense). There are additional resources for Helpwr Heddiw on Google Classroom.
- **2.00-3.00pm- Music-** follow the link below to learn about Jules Rawlinson, a composer who makes music without instruments. He uses sounds he finds in everyday life, e.g. scraping chairs, ripping paper, banging cups and stretching masking tape and mixes them using music software. <https://www.bbc.co.uk/bitesize/articles/zdh8jhy>  
Look for some sounds around your home and in your garden and record them on your phone/ Ipad. Import your sounds using Garage Band (or an alternative music software program) and have a go at composing your own piece of music. You could try to recreate The Doctor Who theme tune as shown in the video or make up your own piece of music. Send me a copy of your finished piece.
