

Hi Year 4, sorry if you couldn't make it to contact sessions with myself and Mrs Brown.

In school we will be doing the following, so if you are not coming into school feel free to do them at home.

On the Tuesday morning we will be:

- Discussing our lockdown jars. Sharing with each other what things we are looking forward to doing. If you are not in school you could tell us on dojo or google classroom.
- We are going to make positivity posters of things we have seen or done.
- We are also going to talk about our favourite things that we have done in Year 4, what we are looking forward to in Year 5 and any concerns we have about a new class.
- We are hoping to hold a mini Year 4 sports day in the afternoon. You could have a family sports day - make up your own events or race your family on the field.

If the weather is poor we will be sharing with each other our work done on Australia. Also talk about films we have seen and books we have read.

ADDITIONAL ACTIVITIES - Thursday and Friday.

If you still want to do some extra activities you can still do:

- Maths - Supermovers and Gareth Metcalfe maths in the morning.
 - Literacy - Read the rest of Kensukes Kingdom - chapters 9 and 10
- *Why not write a review of Kensuke's Kingdom.

Who were the main characters?

Where was the setting?

What was the basic plot?

Did you enjoy it? Explain why you did or didn't.

You have had the opportunities to write diary entries , missing posters and a message in a bottle.

*You could produce a story map for your own adventure story and write a blurb for the book or film. You can choose your own characters and write profiles of them. Choose your own setting and problem. It could be an aeroplane instead of a boat. Maybe you could make an imovie for the trailer for the film.

- You could write a book or film review if you didn't do one in school.
- Welsh Helpwr Heddiw activities of your choice.

Have fun and take care.

Good luck in Year 5 and see you all soon.

Mr Williams 😊
