Class of 2020 poem

What a year it's been for you,
My lovely little crew!
We had plans and intentions
and a lot of things to do,
From learning about topics
like The Titanic and division,
Transition at our Secondary schools
and doing some revision.

Yet as you'll often find in life,
We were put to the test,
Not the normal tests we have-
a weird, abnormal quest.

We were sent into Lockdown
and school was closed for most.

Of all of our priorities,
Your safety was utmost.

Your World was twisted sideways;
your life changed overnight.

Yet acting for the greater good,

you did what's just and right.
It's been so hard- I know that.
I'm so proud of what you've shown,
when facing such adversity
unlike we've ever known.

We're in a time of history
that will be on the shelves,
A tale to tell our grandchildren
that's greater than ourselves.
A time when you were children,
When you had to leave your friends
to keep all of your loved ones safe
and bring this virus to an end.

They'll look at you like heroes-
The sort I know you are:
you're warriors, you're brave, you're knights;
you're bright and dazzling stars.

And though we've had to part now,
in unexpected ways,

we still have all the memories
of countless fun school days.
Remember cheers on Sports Days
and trips to local places,
Remember class assemblies
and the smiles on all our faces,
Remember all our playtimes
and running on the grass.
But most of all, remember
how you are valued in this class.

As I look back in future,
I will think of you and smile;
The class who showed resilience
and went that extra mile.
So, though it's time to say goodbye,
Just know it's not the end.
We will live on in your memories
As special Year Six friends.

Here are some examples of work about Lockdown that the class have made as part of their home learning...

Dear Ysgol Cefn Mawr,

I am writing to you to tell you how much I appreciate all the amazing work you're doing during this pandemic and putting your own lives at risk, so that other key workers can go to their jobs and help out during this awful time. The dedication, hardwork and commitment you show to the school is unbelievable and it makes me proud to be apart of Ysgol Cefn Mawr, Your time schedule has had to changed as we face a new normal, yet you still help all the children with their work at a high standard, by preparing home work and challenges which I can imagine takes a lot of time to do. On top of this you have your own families at home that you need to look after and protect.

I have really missed school life, all the staff, and my friends. The days aren't the same having to stay at home, but it's made me realise how much teachers and all the other key workers do for us and how much this pandemic has had an impact on our lives. For you it must be really hard not being able to see the school children, and strange not having the classrooms full.

I know plans are being made for children to return to school but who knows when it will go back to normal again?. I wish I could have carried on and ended my primary school experience properly, like past year 6 pupils have. I was really looking forward to having our prom , Cardiff trip and leaving service, but I understand it can not be helped.

I hope I get to see you all in the future and I am looking forward to hearing from you all again soon.

Thank you for all everything you have done and all you keep doing.

Yours sincerely Hollie Jones (Year 6)

Nuts, squirrels and acorns,

Birds are cold,

Acorns and nuts are beautiful,
