**Booking of Breakfast Club**

Catering department have been in touch with school to inform us that there are still some problems with booking breakfast club places on the ParentPay system. If your child attends Breakfast Club from 8:00 am, and to avoid a large debt, you are able to put money onto your account and it will show as a credit until we are able to load attendances onto the ParentPay system. For users of the free part of the Breakfast Club (from 8.20am), we have been informed that the 1p charge will not be taken out of your bank account.

If you are experiencing any problems with booking, please contact Mrs Evans in the school office to book your child's place.

**Whole School Homework - One Page Profile**

Thank you to the families who have already returned the one-page profile. If families have misplaced their child's one-page profile, please contact the school office to request another copy. We will be using them in class with the children to update their profile.

**Car Parking**

A polite reminder to parents to be mindful of our neighbours when parking cars to drop off and collect children. Our local residents need access to their driveways. Please park safely and be mindful not to block the pavements.
