**New Nursery September 2021**

We have enjoyed meeting our new Nursery starters for September and their parents/carers this week. The children visited for a session in small groups and met their new teachers. We are looking forward to them starting with us in September. We will be writing to you again in the next few weeks with dates for the staggered start in September.

**Class Organisation for September 2021**

We will be sending a letter home next week to share details of which staff will be teaching your children next year. The children will be spending some time with their new teachers on Tuesday, 29<sup>th</sup> June 2021.

**Secondary School Transition**

Vanessa Wright-Davies (Year 7 Lead Learner) has been in to hold a question and answer for pupils transitioning to Ysgol Rhiwabon in September. The children had lot of good questions to ask and are looking forward to starting their new school in September.

Pupils attending Ysgol Dinas Bran in September will be having a transition visit on Tuesday, 29<sup>th</sup> June for the morning in their class bubble.

**Sports Days**

We will be holding our annual sports days for the children during our Healthy Week, but due to current restrictions, along with other primary schools in Wrexham, we are unable to invite parents to attend this year. We appreciate that this is disappointing as it is a highlight of the year for parents. We will be taking lots of photographs and will upload them onto the school website and ClassDojo. Classes will be kept in their class bubbles as per Welsh Government guidance. As you are aware local schools have had to close bubbles this week due to the rise in Covid-19 positive cases, we want to be as careful as possible to keep the children in school for the rest of the summer term.

**Year 6 Swimming Sessions**

A reminder that pupils in Year 6 will continue their swimming session on Monday. Please ensure children remember their swimming kits and a towel.

**Lateness**

A reminder that pupils in Key Stage 2 can arrive at school from 8:40 am but need to be in class by 8:50 am at the latest to start lessons; Pupils in Foundation Phase can arrive at school from 8:45 am but need to be in class by 8:55 am at the latest. We would appreciate children arriving on time as lateness disrupts the class and late pupils are missing important instructions for the morning's work. If your child is late and requires a school meal but has not pre-ordered, please ensure meals are ordered with the school secretary on arrival.
