### **Welcome Back**

Happy New Year and Welcome back to school; we hope everyone had a good Christmas break. The children have made a good start to the new term and have worked hard this week. Each class teacher has prepared an Overview of the topics and the work that will be taught in each class this term. They will be sent home with your child over the next few days. Please support your child by ensuring their reading and homework tasks are completed.

### **Bright Stars**

It has been lovely to have Bright Stars - Playgroup and Early Entitlement in our building this week. Sarah and Kirsty have worked hard to set up the room and outside area with all of the learning areas for the children. We have received positive feedback from lots of the parents about how much easier it is having the childcare provision all on the school site.

### **Active Wrexham Film**

As you are aware, Liam Jones, our Sports Officer for Wrexham Local Authority visited school in November. A film crew spent the day in school to film good practice of our PE and Sports activities to share with other local primary schools. We use a scheme called Create PE, which delivers PE lessons to build skills, confidence and fitness. We have noticed a big improvement in the confidence and fitness of the pupils, and staff to deliver PE sessions. We also encourage pupils to promote team games and lead sessions at playtimes. We were delighted with the video, which showed the confidence and enthusiasm of our pupils. We will inform you of the link when we receive further details.

### **New Build for Playgroup**

As you are aware, preparation has started for the new build on the school site. The new temporary path is in use this week, and the building site area will be fenced off ready for the next stage over the weekend whilst we have no pupils on site.

### **Change of phone number / address**

If you have received a new mobile phone this Christmas, please ensure school has your new number. Please contact Mrs Evans in the school office. It is essential that we have your correct contact details.

### **Covid-19 update**

Thank you for supporting the school with the staggered collection times at the end of the day. This is to alleviate congestion on the school site with a review at the end of the month. Updated self-isolation guidance was sent home with pupils earlier in the week.

### **PE day Reminders - Children may wear their PE Kits to come to school on this day**

Tuesday -Year 6

Wednesday -Year 3, Year 4

Thursday - Reception, Year 5

Friday - Year 1, Year 2

### Schools Meals

A reminder that schools meals need to be paid for in advance. Please ensure your child's account has credit on their account before ordering a meal.
