**A Young Carer is..**  
someone under 18 who helps look after someone in their family

**This includes:**

(i.e., down syndrome and autism)

Physical impairment  
(i.e., cerebral palsy and diabetes)

Mental Health (i.e., depression and anxiety)

1 in 5

are young  
carers in  
the UK

They can provide physical care such as bathing and providing medicine, support around the home with cooking and cleaning, as well as emotional support.

We are working with your school to raise awareness and provide support for the young carers in your community.

If you believe you, or a member of your family, are a young carer then please either contact your school or [info@northwalesyoungcarers.org](mailto:info@northwalesyoungcarers.org) for more information on how to access the North Wales Young Carers service.
