

Careers Day/Fair

Tuesday, 21st October

We are holding a Super Learning Week based on the book 'What do grown-ups do all day' by Virginie Morgand, during the week before half-term.

On Tuesday, 21st October, we will be holding a Careers Fair. If a parent is available 9:15-11:00 on the 21st, would you be willing to speak to small groups of children about your job? For example:

- What does your job involve?
- Do you wear a uniform?
- What qualifications/training did you need?
- Do you enjoy your job?

On this day, pupils can dress up in the clothes of a career they aspire to.
