Attendance

As a parent/carer you may not be aware how much school, lessons and learning can be missed due to holidays and illness. We appreciate illness cannot be avoided. The chart below shows how many lessons/days can be missed. Individual pupil attendance certificate/breakdowns will be sent home with pupils next week. Late arrivals will be shown on this report card too

Green	100%	Not missing any lessons.
	99%	Missing about 10 lessons.
	98%	Missing about 20 lessons.
	97%	Missing about 30 lessons.
Amber	96%	Missing about 8 days of school. It will be difficult to catch up on the lost learning from about 40 lessons.
	95%	Missing about 2 weeks of school.
	93%	Missing 14 days of school. This is almost three weeks which is a significant amount of education to lose.
Red	92% and below	Missing more than 3 weeks of education. A serious loss of learning which is likely to have a detrimental effect on achievement and life chances.
